Vote Animal Welfare Party, EU Parliament Elections, London Region, Thursday 23rd May

“AWP is part of a fast-growing international movement of political parties for animals striving to create a fairer society in which the needs of people, animals and the environment are balanced. The number of EU Parliament seats held by members of our movement is predicted to triple from two to six in the upcoming elections. Will you help us demonstrate that the UK can also be a world leader in animal and environmental protection and that our rightful place is beside them? Vote AWP on 23rd May.”
