"I'm headteacher of a local school and have made my home in Wark. For the past four years, I've been a councillor on Hexham Town Council, where I have worked hard to put people, animals and the planet at the forefront of our work. Key aspects of my work have included chairing the Remembrance Day Sub-Committee, poverty-proofing the council's events and signposting residents and visitors to local businesses. As your local councillor, I would fight equally hard for our beautiful area, helping to make it an even better place to live, work and explore."

Lee Williscroft-Ferris
AWP Candidate, Humshaugh Ward

My priorities include:

-  **Working with key stakeholders to help make our area a happy, inclusive place for all**
-  **Tackling anti-social dog waste dumping**
-  **Raising awareness of wildlife crime**
-  **Working to keep our villages safe by enforcing speed limits**
-  **Fighting to protect & improve our public transport network**
-  **Enhancing local biodiversity**
-  **Fostering community resilience as we adapt to & push back on climate change**
-  **Working to protect our trees, hedgerows & precious dark night skies**
-  **Encouraging ethical and environmentally pioneering businesses to make a home in our area**
