*"I'm a small business owner here in Castle Donington and Kegworth. The area has been home to me for over 60 years and I'm passionate about protecting its beauty and tranquility for all species. As your local councillor, I'd work tirelessly to champion policies that push back on environmental degradation, promote sustainable living, protect animals and foster harmony between people and nature. Most importantly, I want to ensure that compassion and fairness guide our decisions now and into the future."*
