"I'm a university lecturer & have lived in the Kennedy Road area of Bicester since 2019. I'm passionate about animal rights & biodiversity. Modelled on similar, successful parties in other countries, AWP is the only party that puts the relationship between humans & animals at its core. And we remain unwavering in our commitment to fighting climate change. I'll be a highly dedicated, independent-minded representative of all of Bicester West's residents – human & non-human. You have TWO votes in this election. I hope you'll use one of them to vote AWP & show your belief in a fairer future for all."

Dr Paul Graham, AWP Candidate, Bicester West ward

- ✓ **Prioritising the climate and biodiversity crisis in all council decision-making**

- ✓ **Pushing back against environmentally destructive development**
- ✓ **Working to enhance local biodiversity and protect healthy trees and hedgerows**
- ✓ **Promoting healthy and sustainable plant-based food and drink in public settings**
- ✓ **Encouraging ethical and sustainable businesses to make a home in our area**
- ✓ **Opposing council use of pesticides and herbicides**
- ✓ **Tackling fly-tipping and related anti-social behaviour**
