"I'm a recently retired primary school teacher and have lived and worked in Huntingdonshire since 2011. I've had a passion for animals since childhood and am a firm believer in the benefits of whole food plant-based diets for people, planet and animals. In my free time, I love taking care of my three grandchildren, walking with my rescued German Shepherd & relaxing in the garden with my six rescued chickens. If elected, I'll strive to be a strong voice for all who call this beautiful area home - humans and animals alike."

Jacqui Cook

AWP Candidate, Hemingford Grey & Houghton ward

My priorities include:

- ✓ **Protecting local wildlife habitats & river meadows & planting trees to reduce flood risks**
- ✓ **Improving cycle routes and footpaths, to ensure year-round usability**
- ✓ **Advocating for plant-based food & drink options to be served in public settings, including council-catered events**
- ✓ **Mandating wildlife tunnels or native hedging for all boundaries in new planning applications**
- ✓ **Ensuring the River Great Ouse is healthy & pollution-free via a local Charter to protect its rights**
- ✓ **Ensuring council support for a swift transition to animal-free science (Herbie's Law) thereby releasing the district from being associated with outdated animal testing, as highlighted by Camp Beagle**
- ✓ **Initiating a council 'Eco Hub' to promote & advise on sustainable living**
- ✓ **Preparing our children to live sustainable lifestyles, including support for schools to promote plant-based options & cookery lessons**
