"The brand-new town councils will give our community a stronger voice to influence decisions on high streets, local facilities, community events & seasonal celebrations in the local area, where I've lived for 25 years. With a background in psychology, counselling, business, housing, arts & advocacy, I believe local politics should be inclusive, compassionate & practical. I want you to have a town councillor who listens & acts with integrity, taking concerns about community safety, well-being, green spaces, youth voice & animal welfare seriously."

**Sasha Jolliffe Yasawi, AWP Candidate,
Winton East, Charminster West & Talbot Woods ward**

My priorities include:

- ✓ Creating cleaner, safer, kinder neighbourhoods free of litter, fly-tipping, graffiti & vandalism
- ✓ Promoting community wellbeing & tackling social isolation through opportunities for connection & support
- ✓ Supporting young people to have their voices heard in local decision-making & providing opportunities to connect with positive role models
- ✓ Protecting & celebrating all wildlife, habitats & green spaces
- ✓ Being a strong voice for the protection of all animals in local decision-making
- ✓ Advocating for responsible companion animal care through education & partnership with local schools & community groups
- ✓ Strengthening community life through inclusive events that bring residents together & build belonging
- ✓ Supporting thriving local high streets & welcoming public spaces
- ✓ Championing human rights & democratic participation to ensure a local culture where residents feel informed & respected, safe to participate & tackle challenges together
